

IN ORDER TO FORM A MORE PERFECT UNION

1st Corinthians 6:17

Jeremiah 24:7; 29:13 & 32:39 / Ezekiel 11:19; 36:26 & 37:14

Our Vision is to nurture and transform the Spiritual Heart, the core essence of all persons – **Our Goal** is to make lasting connection(s) in a culture of transparency, warmth and belonging where all are welcome and treated with dignity and respect; and have the freedom and safety in which to receive and express truth in love, through experiential grace. **Our Desire** is to be sensitive to each person's unique story, and when appropriate – gently challenge the status-quo while still honoring their freedom of choice. **Our Hope** is to facilitate the healing of the soul and an increasingly improved quality of life and well-being. **Our Purpose** is to help all comers to a place of wholeness and well-being, and true seekers to find freedom Through the Love of Christ according to Isaiah 61:1-3, so that each can enter fully into a more perfect union with the Lord, that in turn transforms their lives and relationships. **Our Passion** is to enter into His deeper rest, and to engage One-Heart-at-a-time in a growing personal relationship with Jesus Christ through the Leading of the Holy Spirit, and to progressively abide in, and depend on Him and His resources. **Our Heart** is to be God-centered and one with Jesus.

...To more intimately Know Him - Not just about Him...

John 17:3 / 2nd Peter 1:3-9 / Ephesians 1:18

Psalm 19:14 & 119:105

When it comes down to it, stories about someone are just abstract facts, and somewhat ethereal. You can get the wrong opinion, belief or assumptions about someone you have never met yourself. It can be tainted, skewed or colored by another person's worldview and life experiences. But if you encounter and experience that person for yourself, then what you gain from walking and talking with them becomes the truth that is far beyond just head knowledge. Once you have met and personally experienced them it is now a **truth** that you know through relationship (it is much deeper) that will even stand up against someone else's views that differ from your own.
